The traditional route for MLS is to swim around the Moville Lighthouse in a clockwise direction. The MLS 2015 swim will be at the end of an outgoing low "spring" tide (tidal range 2.3m), with possibly not too strong a current. Please indicate below whether you would prefer an easier swim (anti-clockwise), or the traditional (clockwise) swim that may be more challenging - conditions will be similar to MLS 2012 when 3 out of the 24 swimmers made it around the lighthouse. Choose wisely, majority wins! ☺

As a community run event, entry and participation in MLS 2015 is FREE for pre-registered participants. A commemorative MLS 2015 (yet to be decided) "collector's item" will be produced for each swimmer who would like one – but the cost, <i>estimated at max GBP 3-5 / EUR 3-5 each</i> , would need to be borne by the swimmer & paid on the day. Please tick the box below right if you would like to receive such an "item", so that we can accurately estimate the quantity to craft in advance. NB: Participation in MLS 2015 is free and no "item" or payment is necessary to undertake the swim!			
Yes please, I am really interested in a MLS 2015 commemorative "item"			<i>Tick here</i>
We hope to secure insurance under the CWLF H2O Swim series for MLS 2015, and thus, unlike previous MLS swims, no ILDSA or Swim Ireland Membership will be required. However, should you have this optional information, it will be useful if you can add it here for tracking purposes.			
Optional: 2015 Swim Ireland Club Name
